

Environmental Statement

CQ Hotels Wellington is committed to leading the industry by minimising the impact of its activities on the environment. CQ Hotels Wellington accepts responsibility for harmful effects its operations have on both the local and global environment and is committed to reducing them. CQ Hotels Wellington will measure its impact on the environment, set targets for ongoing improvement and will comply with all relevant environmental legislation. CQ Hotels Wellington will also raise awareness of environmental issues to our staff, enlist their support in improving the company's performance.

The key targets and current achievements for CQ Hotels Wellington's strategy 2019 are:

- ✓ Increase the environmental awareness of all CQ Hotels Wellington employees
- ✓ Use of energy efficient light bulbs in all areas and light sensors in corridors
- ✓ Water conservation – use of dual flush toilets
- ✓ Salt water pool – salt water pool water is softer and kinder to the skin as well as requiring less maintenance
- ✓ Recycle restaurant organic waste with Kai to Compost and ensure that all food waste, coffee grounds, dead plants and biodegradable paper/plastics are collected and turned into compost and sold for local use
- ✓ Collect and recycle used cooking oil
- ✓ Use of locally sourced ingredients in food and beverage outlets
- ✓ Collection and recycling of used paper products and reducing packaging where possible
- ✓ Use of stationery products supplied by Staples made from certified recycled /sustainable materials
- ✓ Offer our guests environmental friendly/ecologically sustainable alternatives. The amenities supplied by Concept Amenities (Starline NZ) are made from vegetable based, natural, organic and biodegradable ingredients and packaged in biodegradable, nontoxic plastic or paper and carry the internationally recognised ERP logo identifying environmentally sustainable products
- ✓ Propose and promote towel and linen re-use to guests
- ✓ Install and promote waste separation in guest rooms
- ✓ Provide and promote sustainable activities and amenities for guests (installation of e-charging stations for electric vehicles, purchase of e-bikes and regular bikes for guests to hire, and promotion of CQ eco-cups)
- ✓ Achieve a Bronze Enviro-Mark certification for both hotels
