

Dear valued client,

Please be advised that as a consequence of recent earthquakes which have resulted in the NBS (National Building Standards) criteria being amended, CQ Hotels Wellington will be undergoing a building strengthening programme on the Comfort Hotel commencing in the 1<sup>st</sup> quarter of 2018.

It should be noted that although CQ Hotels Wellington was 100% compliant based on the 2002 standard, it is considered prudent to re visit the hotel's seismic rating.

The strengthening programme which will only affect the Comfort Hotel. The Quality Hotel has retained the 100% rating.

We will advise you as soon as we have any further detail and appreciate your patience and understanding.

Please note the work itself will be conducted in small areas of the hotel, apart from the external scaffolding, the work will be non-invasive.

Please contact us directly if you have any questions regarding this matter.

Kind regards,

A handwritten signature in black ink, which appears to read 'N.L.I. Harper'. The signature is written in a cursive style and is positioned above a horizontal line.
