General Manager

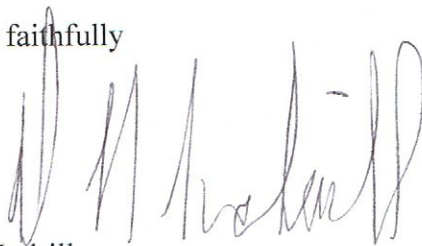

Dear Sir

CQ HOTELS, 213 CUBA STREET, WELLINGTON

In 2002 the original "Peoples' Palace" hotel was redesigned and an additional storey added. The design was carried out to meet 100% of the *National Building Standard* at that time.

The building is strengthened with steel framing and multiple walls between bedrooms. The structure conforms to 100% of NBS 2004.

Yours faithfully

D N Undrill
